Sprout into Spring with Curious Fork's Cooking Classes

When a stroll through farmers markets inspires you to try your hand at new recipes, your first stop should be The Curious Fork. These classes are a fun evening with as many skills and encouragement. The popular Farmers Market Basket class is offered weekly and guides you through fresh local fare or you could try the Vegan/Vegetarian Corner course, which shows you creative ways to incorporate plant-based ingredients into sandwiches and specials. The only place in the San Diego area serving a curated Blue Bottle coffee at a retail shop featuring carefully selected and promoted healthy products to improve at-home cooking technique including specialty gifts, appliances, utensils, and artisan goods. The Curious Fork is located at 512 Via de la Valle; private events and catering are available. To sign up for classes, call 858.876.6386 or visit www.thecuriousfork.com.

Shannon Smith
Director of Business

A new educational and unparalleled in utilizing various instructional delivery methods based on the participant's learning style. Smith asked what parents look for in a quality education, Smith said, "I think, first of all, parents consider what their kid's needs are. What is it that they think can help their kid to be successful, and then we look at what the charter school can do. San Diego are able to learn independently in blended classes, able to assess that, determine the best help program.
